**Terms of the temporary assignment:**

1) Assigned object

ALLMATIC-Jakob Spannsysteme GmbH leaves articles, which are checked on page 1, for temporary testing to the company

2) Assignment period

The loan period is two weeks from the date of shipment.

3) Contract penalty

Should the temporarily assigned objects not be returned to ALLMATIC-Jakob on time, we will be charging a fee of 250 € per sample case set (plus VAT) per started week. As a result, a lease will not be established. The legal claim of title stands.

4) Assignment costs

- Delivery to the customer is CPT carriage paid. Return shipping will be paid by the customer. This includes packing, duty costs and any other costs that may incur.
- If the pressure measuring socket is damaged by improper use, the repair costs will be charged to the customer's account. The same will apply for missing goods.
- Wear parts will not be invoiced to the customer.

5) Property

The goods remain the property of ALLMATIC-Jakob Spannsysteme GmbH, during the term of this agreement.

Yours sincerely

i.A. Elisabetha Jahraus
